

Instructions to get access to challenge data for HFG 2025

1. Provide your **email** address, **first** and **last name** to the organizers
2. Receive the mail from AWS (no-reply@login.awsapps.com)

3. Click on Accept Invitation button

Hello Luka Riester Gmail,

Your administrator for AWS Account #933551556772 has invited you to AWS IAM Identity Center. Accepting this invitation activates your user account in IAM Identity Center so that you can access assigned AWS resources. Choose the link below to accept this invitation.

Click on Accept
Invitation

Accept invitation

This invitation will expire in 7 days.

Accessing the AWS access portal

After you've accepted the invitation, you can sign in to the AWS access portal by using the information below.

Your AWS access portal URL:

<https://lukariestersa.awsapps.com/start/>

Your Username:

lukarister@gmail.com

Amazon Web Services, Inc. is a subsidiary of Amazon.com, Inc. Amazon.com is a registered trademark of Amazon.com, Inc. This message was produced and distributed by Amazon Web Services, Inc., 410 Terry Ave. North, Seattle, WA 98109-5210.

4. Enter a new Password (choose your own and make sure to use a number, a special character and at least one capital letter)

New user sign up

Enter your user information

Specify your new Password

Username:
[redacted]@gmail.com

New password
[text input field]

Confirm password

7. You should now see the AWS Access Portal page also accessible via this link: <https://webapp-a42e3282901c4e2fa.transfer-webapp.eu-west-1.on.aws/>

8. In the previous page click on the link as shown in the image. You should now see this page:

9. Each challenge data is in the folder “hfg2025-challenge-data”. If you want to upload some data use the “UploadFolder”. Bear in mind this data will be visible by everyone who has access to this platform!

Happy Hacking!
